Samarpan : Kuchipudi Dance

By Vyjanthi Kashi and Group

A Dance Ode to Indian Poetry

Amidst the swirling fabric of tradition and the luminous grace of movement, "SAMARPAN" emerges—a mesmerizing dance production that breathes life into the poetic soul of India. This evocative performance intertwines the eloquence of words with the eloquence of the body, weaving a tapestry of rhythm, emotion, and timeless expression.

From the mystic verses of Dikshitar to the poignant yearnings of Annamaya, Purandhara Dasa, Naraya Teertha, from the echoes of Vocalist Prabha Athre to the soulful introspections of few others, this production pays homage to the voices that have shaped the literary and cultural landscape of India. Step into a world where rhythm meets verse, where movement becomes metaphor, and where poetry dances.
